DAHLIAS

EASTON, ILLINOIS

TERMS—Remittance with order or a deposit of 25% and the balance C. O. D.

REMITTANCES should be made by Postal or Express Money Orders. Extra bulbs will be included to offset the extra charge. Currency enclosed with your order is sent at the sender's own risk.

POSTAGE is prepaid on all orders.

STOCK is true to name, of fine quality, free from disease and injurious insects, young and full of pep. State inspected, and no Thrips.

SUBSTITUTION—We will not substitute one variety for another without your sanction. But in case we are sold out of the size ordered we will send an equal value in larger or smaller bulbs of the same variety. All stock is offered subject to prior sale.

EXTRAS—On cash orders of \$2.00 you can select 10% extra in bulbs of your own choosing. For \$5.00 you can select 15%. You can have three bulbs at the ten rate. But no single item for less than nine cents.

LOCATION—Our gardens are located on Paved Highway No. 120. We are the first house north of the Easton High School. Visitors are always welcome.

THANK YOU for your orders in the past and any sized order you may give us this spring will certainly be appreciated. We want to thank especially those friends, both old and new, who came to us, and wrote to us, and told of their success with our bulbs. We wish you all more success in 1934.

Large bulbs are 1¼ inches and over. Medium bulbs are ¾ inch and over.
Small bulbs are ⅜ inch and over.
You can have three bulbs at the ten rate.

DAHLIAS

We are proud to offer the following Dahlias. We believe our collection to be one of the finest grown in the Central States. It contains the best of the old and new varieties. We need beautiful flowers to brighten our hearts and gardens more this year than any year, and a planting of Dahlias brings to the flower lover many times over the amount invested, in happiness.

Abbreviations: Dec., Decorative, large flowering double Dahlia. F. D., Formal Decorative is a large flowering double Dahlia whose petals grow in the same regular formal pattern in each flower, like Jersey Beauty. I. D., Informal Decorative is a large flowering double Dahlia whose long petals show a slight tendency to twist or curl, presenting a shaggy appearance, like Jane Cowl. C., Cactus Dahlia is a Dahlia whose petals are curved under to form a long tube. S., Show Dahlia is over 2 inches in diameter and depth, forming almost a perfect ball.
